

ALLIANCE@IBM

WORK IN PROGRESS

- **Organize and advocate for IBM employees.**
- **Challenge IBM on corporate policy and practice.**
- **Attend IBM stockholder meetings on behalf of members, employees and retirees.**
- **Hold rallies and informational picket lines at IBM sites.**
- **Contact political leaders at all levels on issues that impact IBM employees, ex-employees and retirees.**
- **Actively oppose the offshoring of jobs and the use of foreign labor on US accounts to replace IBM US employees.**
- **Help IBM employees on health and safety issues.**
- **Work with international IBM employee unions and work councils on common issues, projects and actions.**
- **Further develop the Alliance web site as a "virtual" meeting hall for members and employees.**
- **Expose the "under the radar" job cuts and resource actions.**
- **Work with political leaders and community allies on requiring transparency and accountability in reporting job cuts.**
- **Media outreach and press releases to bring IBM issues and concerns greater visibility.**
- **Fight against pay cuts, benefit cuts and job cuts.**
